

Family Work in Early Psychosis

Training DVDs with over 10 hours of viewing

This set of 5 DVDs covers family work consistent with current Department of Health policy and NICE Guidelines:

- * The impact of psychosis
- * The benefits of evidence-based family work
- * Interviews with service users and family members
- * The impact of psychosis on siblings
- * Demonstration of family work skills with two families
- * Discussion with a multi-disciplinary group of expert healthcare professionals discussing implementation of family work
- * Cultural factors relevant to family work
- * Tried and tested implementation strategies
- * The benefits of Carers' Support Groups in early psychosis
- * The innovative role of the Carer Consultant in Early Intervention services

Who is this for?

- Mental health professionals including Adult and Child & Adolescent services
- Managers
- Commissioners
- Carers, family members and service users
- University lecturers and trainees

Can be used for:

- Family work training as part of the Meriden 5-day training course
- Staff induction
- Awareness raising and education for mental health teams
- University courses for all professional groups
- Supervision sessions
- General learning resource

This series of five DVDs is available to purchase for £200 (An accompanying training manual is currently being developed and together with DVDs 2, 3 and 4 these will be the core training materials used on Meriden Family Work training courses)
