Family Work in Early Psychosis
Training DVDs with over 10 hours of viewing

This set of 5 DVDs covers family work consistent with current Department of Health policy and NICE Guidelines:

* The impact of psychosis
* The benefits of evidence-based family work
* Interviews with service users and family members
* The impact of psychosis on siblings
* Demonstration of family work skills with two families
* Discussion with a multi-disciplinary group of expert healthcare professionals discussing implementation of family work
* Cultural factors relevant to family work
* Tried and tested implementation strategies
* The benefits of Carers' Support Groups in early psychosis
* The innovative role of the Carer Consultant in Early Intervention services

Who is this for?
- Mental health professionals including Adult and Child & Adolescent services
- Managers
- Commissioners
- Carers, family members and service users
- University lecturers and trainees

Can be used for:
- Family work training as part of Meriden 5-day training courses
- Staff induction
- Awareness raising and education for mental health teams
- University courses for all professional groups
- Supervision sessions
- General learning resource

This series of five DVDs is available to purchase for £200
(An accompanying training manual is currently being developed and together with DVDs 2, 3 and 4 these will be the core training materials used on Meriden Family Work training courses)
